Note: For injuries between 10/01/1975 and 9/30/1981, benefits are adjusted on October 1 of each following year. For injuries on or after 10/01/1981, benefits are adjusted on each successive anniversary date of the injury. For injuries occurring 10/01/1992 and thereafter, the first adjustment occurs on the second anniversary date of the injury. For injuries occurring 10/01/1995 and thereafter, the first adjustment occurs on the fourth anniversary date of the injury. For injuries occurring 10/01/2013 and thereafter, the first adjustment occurs on the third anniversary date of the injury. Subsequent adjustments occur on an annual basis.

*Note: For injuries from 10/01/1977 to 9/30/1992, adjustments are capped at 6%. Effective 10/01/1992, adjustments are capped at 4%. The WCCA has determined that this cap only applies to dates of injury on and after 10/01/1992. See *Charley v. FMC Corporation*. For injuries after 10/01/1995, adjustments are capped at 2%. For injuries on and after 10/01/2013, adjustments are capped at 3%, and cannot be less than 0%.

Note: Permanent partial disability is payable upon cessation of temporary total disability. If the employee requests payment in a lump sum, then the compensation must be paid within 30 days. This lump sum payment may be discounted to the present value calculated up to a maximum five percent basis. If the employee does not request a lump sum, payment is in installments at the same interval and same amount as the employee's temporary total disability at the date of injury. Minn. Stat. §176.101, subd. 2a.
